

Cheap Trick, Can't Stop Fallin' Into Love

Hey little ladies
There's some cool young dude
Just standin' in line
Waitin' for you
There's a girl in the corner
With a jacked up dress
She's got legs for miles but
But her face looks a mess
Chorus
There's always something for everyone
But a love can be suicide
Oh yeah
It's just what you've been waiting for
And I know it can't be denied
Can't stop fallin' into love
What's my heart been dreamin' up
Who's that fallin' into love
Is it you I'm thinkin' of
Hey rock 'n rollers
What's a happenin' with you
You've got the itch
Well I've got it too
It's hard to be a winner every time
But I know you take it, you can make it all right
It's time that you just can't hide
But I can't control myself
Oh no no no
I know what you've been waitin' for
'Cause love can't be denied Yeah oo
Chorus
Can't stop fallin' into love
What's my heart been dreamin' up
Who's that fallin' into love
Is it you I'm thinkin' of
There's always somethin' for everyone
And I know what you mean in my eyes
I just can't control myself
And I fall for it every time Oh yeah
Chorus
Can't stop fallin' into love
What's my heart been dreamin' up
Who's that fallin' into love
Is it you I'm thinkin' of
Chorus
Can't stop fallin' into love
What's my heart been dreamin' up
Who's that fallin' into love
Is it you I'm thinkin' of
Cant stop fallin' into love oo
What's my heart been dreamin' up
No matter what I think or do or say Hey
I keep fallin' into love
