Don't Be Cruel

Well you know i can be found

Sitting all alone

If you can't come around

At least please telephone

But don't be cruel

To a heart that's true

Baby, if i made you mad

For something i might have said

Please forget the past

The future's bright ahead

But don't be cruel

To a heart that's true

I don't want no other love

Baby, it's just you i'm thinkin' of

Don't stop thinkin' of me

Don't make me feel this way

Come on over and love me

You know i want you to stay

But don't be cruel

To a heart that's true

Let's walk up to the preacher

Let's say &quot;hey, i do&quot;

And then i know you'll want me

And you'll know i want you too

(chorus)

Why should we be apart?

Baby, you know i love you, cross my heart
