

Cheap Trick, Hummer

Everybody
Everybody
So take a good look
And you can see what you see in me
And take a good look
And you can see what you see in me
And take a good look
'Cause I'm already gone
Everybody
Everybody
So take a good look
And you can see what you see in me
And take a good look
And you can see what you see in me
And take a good look
'Cause I'm already gone
