

# Cheap Trick, I Know What I Want

Words and Music by Rick Nielsen

I've been around the world and met a million girls,  
Still, I know I wanna be with you.

You've got more than anyone else,  
And I want you more than anything;

'Cause I know what I want, and I know how to get it.

I know what I want, and I know how to get it.

I know what I want, and I know how to get it from you, from you.

I knew I'd meet you, I had a dream about you,

We were walkin' hand in hand,  
we were talkin' 'bout love.

It was love at first sight,  
when I looked into your eyes

I was blinded by the feelings in my heart.

'Cause I know what I want, and I know how to get it.

I know what I want, and I know how to get it.

I know what I want, and I know how to get it from you, from you.

I know, I know, I know, I know what I want!

I know what I want!

I want it!

Well, ya knew I'd meet you,

ya know I dreamt about you,

We were walkin' hand in hand,  
we were talkin' 'bout love.

Love at first sight, when I looked into your eyes

I was blinded by the feelings in my heart.

I know you feel it, there's no doubt about it,

It's gettin' stronger every day.

It's a one in a million, I was shootin' for the stars,

You're the world's greatest lover and you're mine.

'Cause I know what I want, and I know how to get it.

I know what I want, and I know how to get it.

I know what I want, and I know how to get it from you, from you.

I know what I want, and I know how to get it.

(Repeat to Coda)
