

Cheap Trick, If You Want My Love (Alternate Version)

One, two, three, four
If you want my love you got it
When you need my love you got it
I won't hide it
I won't throw your love away
If you want my love you got it
When you need my love you got it
I won't hide it
I won't throw your love away
Yes I thought you were a mystery girl
A special girl in this crazy old world
You couldn't see me when I laid eyes on you
Lonely is only a place
You don't know what it's like
You can't fight it
It's a hole in my heart, in my heart
If you want my love you got it
When you need my love you got it
I won't hide it
I won't throw your love away
You hold the secrets of love in this world
I'm hypnotized by your every word
A special face, a special voice
A special smile in my life
'Cause lonely is only a place
You don't know what it's like
You can't fight it
It's a hole in my heart, in my heart
If you want my love you got it
When you need my love you got it
I won't hide it
I won't throw your love away
Yes, I thought you were a mystery girl I've got it
A special girl in this crazy old world of mine
I'm hypnotized by your every word of mine
Yes, I thought you were a mystery girl I've got it
If you want my love you got it
When you need my love you got it
I won't hide it
I won't throw your love away
If you want my love you got it
When you need my love you got it
I won't hide it
I won't throw your love away
