All lined up ready to go

Fully loaded overflow

High heeled mood

Let's go for some action

Man-u-lip-u-lator it's so easy when heads meet

Exploring but nightmares speak

Rumors fly idle speculation

Man-u-lip-u-lator tryin' to operate on you

Sticky situation i'd love to fall into

You're a man-u-lip-u-lator with a low low attitude oohoo

Like to love ya later 'cause i'm an operator too
