

Cheap Trick, Won't Take No For An Answer

Words and Music by Rick Nielsen

Hey wait a minute

You're a little lost

Things keep on changing

And so does the cost

Of doin' business with yourself

Don't want nobody else, no

I won't take no for an answer

I won't take no from you

I won't take no for an answer

I won't take no, no, no, no

Hey mister sister

Leave me alone

Today kids don't grow up

They just grow alone

Guess you know how bad I felt

When you were with somebody else, oh

I won't take no for an answer

I won't take no from you

I won't take no for an answer

I won't take no, no, no, no

Hey

You

Hey, hey you

I won't take no for an answer

I won't take no from you

I won't take no for an answer

I won't no

I won't no for an answer

I won't no (for an answer)

(Repeat to Coda)
