

Cheap Trick, Younger Girls

Words and Music by Robin Zander and Rick Nielsen

Try to bend me, try to shake me

Try and turn my head around

Oh try to change me, rearrange me

I think you know about the boy you found

A fantasy like this is hit and run

Younger girls

Oh how I love those younger girls

Younger girls

Oh how I love those younger girls

I had a dream about girls like you

You said call us, you'll get two

One for your money, two for the show

I'll give you something more

I know, I know, I know, I know

It's hard enough to make you wanna cry

Younger girls

Oh how I love those younger girls

Younger girls

Oh how I love those younger girls

It's hard enough to make you wanna cry

And it drives me out of my mind

I'm in love with you, baby

My poor innocent baby

Don't you say maybe

Younger girls

Oh how I love those younger girls

Younger girls

Oh how I love those younger girls

Feels so good, let me in

I might jump right out of my skin

Don't you ever grow up little girl

Sweet young thing, not so innocent

Younger girls

Oh how I love those younger girls

Younger girls

Oh how I love those younger girls

(Repeat to Coda)
