CHEECH And CHONG, Low Rider

All my friends know the low rider The low rider is a little higher Low rider drives a little slower Low rider, is a real goer Hey Low rider knows every street, yeah Low rider, is the one to meet, yeah

Low rider don't use no gas now Low rider don't drive too fast Take a little trip, take a little trip Take a little trip and see Take a little trip, take a little trip Take a little trip with me
