

# Cheetah, Da Rugrats Riddum

Yeh, say this is true say yeh,  
And this is the rugrats riddum,  
Ridin' it we have knee-high and cheetah,  
This one is large,  
You better listen up, yeh,  
'Coz this is very big, BLURH! BLURH!

Wot, and I'm only a teen  
But I'm true lyk a rugrat murkin' the scene,  
I'm a white boy,  
You cuss dese lyrics there'll be fight, boy,  
'Coz I play football and more,  
Kickin' at your ankles, I want more,  
I'll leave you on the floor,  
Leave you feelin' sore, BLURH!

Wot and I'm only a teen,  
But wat does that mean  
It, mens, I'm a young MC,  
But you cud still get blazed by me

When I spit bars the bars are mucky,  
I'm a rugrat, but my name's not Chuckie,  
I don't want beef wid you,  
You don't want beef wid me,  
I'll keep it murkey,  
Toll on deep off-key!
