

Cheetah Girl, Dance Me If You Can

Are you sure that you're up for this?
Do you think that you can handle it?
This is complicated
You might get frustrated
We got the moves that you never seen
Let me show you just what I mean
There's really no chance
That you can do all this
Can't keep up
Can't keep Up
No
try keep up
try keep up
Yeah
Can't keep up
Can't keep Up
No
(Oh no, uhuh, uhuh)
(Oh no, show me what you got)
Try to follow, watch me now
If you think that you know how
Then dance me
Dance me if you can
Get together or fall apart
If you think it's not that hard
Then dance me
Dance me if you can
Dance me if you can
Dance me
Dance me if you can
I Know you think that you're in control
But watch we move
'Cause this is how we roll
Work it just like this
Let's see you trying to do that
What's the matter?
Can't you figure it out?
'Cause you look confuse, mixed up, no doubt
There's really no chance
That you can do all this
Can't keep up
Can't keep Up
No
Try keep up
Try keep up
Yeah
Can't keep up
Can't keep Up
No
(oh, oh, c'mon, c'mon)
(Yeah, yeah, show me what you got)
Try to follow, watch me now
If you think that you know how
Then dance me (dance me)
Dance me if you can
(Oh yeah)
Get together or fall apart
If you think it's not that hard
Then dance me (dance me)
Dance me if you can
Is that the best that you can do?
You gonna have to try much harder
Now is the time to make your move
You now...

Hey, hey, get ready
Hey, hey, let's go
(that's right)
(here we go)
(yeah, yeah, yeah)
Try to follow, watch me now
If you think that you know how
Then dance me
Dance me if you can
Get together or fall apart
If you think it's not that hard
Then dance me
Dance me if you can
Everybody wants to win (wants to win)
If you think that you can handle it
Then dance me
Dance me if you can
Never easy,
That's the way (that's the way)
If you think you got what it takes
Then dance me
Dance me if you can (Dance me if you can)
