Cheetah Girl, Dance Me If You Can

Are you sure that you're up for this?

Do you think that you can handle it?

This is complicated

You might get frustrated

We got the moves that you never seen

Let me show you just what I mean

There's really no chance

That you can do all this

Can't keep up

Can't keep Up

No

try keep up

try keep up

Yeah

Can't keep up

Can't keep Up

No

(Oh no, uhum, uhum)

(Oh no, show me what you got)

Try to follow, watch me now

If you think that you know how

Then dance me

Dance me if you can

Get together or fall apart

If you think it's not that hard

Then dance me

Dance me if you can

Dance me if you can

Dance me

Dance me if you can

I Know you think that you're in control

But watch we move

'Cause this is how we roll

Work it just like this

Let's see you trying to do that

What's the matter?

Can't you figure it out?

'Cause you look confuse, mixed up, no doubt

There's really no chance

That you can do all this

Can't keep up

Can't keep Up

No

Try keep up

Try keep up

Yeah

Can't keep up

Can't keep Up

No

(oh, oh, c'mon, c'mon)

(Yeah, yeah, show me what you got)

Try to follow, watch me now

If you think that you know how

Then dance me (dance me)

Dance me if you can

Get together or fall apart

If you think it's not that hard

Then dance me (dance me)

Dance me if you can

Is that the best that you can do?

You gonna have to try much harder

Now is the time to make your move

You now...
