

# Cheezburger Mafia, Not Today

You say that I'm the one for you,  
I've got all that you need.  
But where were you 6 months ago?  
When you were the one for me.  
You said that it would never work,  
And that I just don't have a clue.  
But we kinda switched our places,  
And now the joke's on you.

You had your chance,  
But you looked away.  
And maybe it could really work,  
But sorry'not today.

You said you needed butterflies  
Which were very hard to find.  
I did everything I knew  
To try and make you mine.  
Now the tables have turned  
And the butterflies are there  
But you cry yourself to sleep at night  
Because now I just don't care.

You had your chance,  
But you looked away.  
And maybe it could really work,  
But sorry'not today.

It's not as bad as you think it is  
Give your heart some time to mend.  
It only took you a few weeks before  
To fall for my best friend.  
I'm sure that you can move on  
In about a week or two  
And hopefully you'll realize  
That I'm not the one for you.

You had your chance,  
But you looked away.  
And maybe it could really work,  
But sorry'not today.
