

Chemlab, Vera Blue

After hours in the valley of downs, tripped-up all over town, after 3 she's
down on avenue C, kicking down with the clowns, you can tell she's
hydrolic, a silver scream in super sonic, you can see the mercury smear in
her eyes she's right out of this world she the andricon girl...taking a ride
with the pretty things tonight, you know it's wrong, but it feels so
right...the andricon girl
