

Cher, After All - (Featuring Peter Cetera)

Well here we are again
I guess it must be fate
We've tried it on our own
But deep inside we've known
We'd be back to set things straight

I still remember when
Your kiss was so brand new
Every memory repeats
Every step I take retreats
Every journey always
Brings me back to you

[Chorus:]
After all the stops and starts
We keep coming back to these two hearts
Two angels who've been rescued from the fall
And after all that we've been through
It all comes down to me and you
I guess it's meant to be
Forever you and me
After all

When love is truly right
This time it's truly right
It lives from year to year
It changes as it grows
And oh the way it grows
But it never disappears

[Chorus]

Always just beyond my touch
Though I needed you so much
After all what else is living for
Whoa

[Chorus x2]
