Cher, After All - (Featuring Peter Cetera)

Well here we are again I guess it must be fate We've tried it on our own But deep inside we've known We'd be back to set things straight

I still remember when Your kiss was so brand new Every memory repeats Every step I take retreats Every journey always Brings me back to you

[Chorus:] After all the stops and starts We keep coming back to these two hearts Two angels who've been rescued from the fall And after all that we've been through It all comes down to me and you I guess it's meant to be Forever you and me After all

When love is truly right This time it's truly right It lives from year to year It changes as it grows And oh the way it grows But it never disappears

[Chorus]

Always just beyond my touch Though I needed you so much After all what else is living for Whoa

[Chorus x2]
