

Cher, Believe (Xenomania Mad Tim And The Mekon Club Mix)

After love
After love
After love
Do you believe in life after love?
Do you believe in life after love?
Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong enough, no
Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong enough, no
No matter how hard I try
You keep pushing me aside
And I can't break through
There's no talking to you
It's so sad that you're leaving
It takes time to believe it
But after all is said and done
You're gonna be the lonely one, oh
Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong enough, no
Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong enough, no
What am I supposed to do?
Sit around and wait for you
Well, I can't do that
And there's no turning back
I need time to move on
I need love to feel strong
'Cause I've got time to think it through
And maybe I'm too good for you, oh
Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong enough, no
Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong enough, no
Well, I know that I'll get through this
'Cause I know that I am strong
And I don't need you anymore
No, I don't need you anymore
Oh, I don't need you anymore
No, I don't need you anymore
Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong enough, no
Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong enough, no
