Cher, Can You Fool (With Greg Allman)

CAN YOU FOOL WITH GREG ALLMAN WRITER MICHAEL SMOTHERMAN

Greq:

Well you can take all of the money that you made and but it in the jar Drag out a map that will show you is heaven very far You take all of the medicine you need 'til ya fi

Cher:

Well those winter nights and the city lights and the crying of the train Everyday is a straight up gray Every memory's a fade And then ya finally use the sense God gave ya to come out of the rain Still you can't figure why that man is got to be so cruel But ya just can't forget him, can you fool

Together:

Oh, love is long and love is hard Love brings lots of pain She was here Now she's gone Lord, bring her back again

Cher:

Well you can take all of the money that you made and

Greg:

but it in the jar Drag out a map that will show you is heaven very far

Cher:

And you can take all of the medicine you need 'til ya

Grea

find out who you are

Cher:

Still you can't figure why that man he got to be so cruel But ya just can't forget him, can you fool

Grea:

No you just can't forget her, can you fool

Cher:

Awww, can you fool
