Cher, Dov Lamore

Dov LAmore Dov LAmore I cannot tell you of my life Here is my story

Ill sing a love song Sing it for you alone Though youre a thousand miles away Loves feeling so strong

Come to me babyDont keep me waiting Another night without you here And III go crazy

There is no other there is no other No other love can take your place or match the beauty of your face Ill keep on singing til the day I carry you away

With my love song With my love song

Dov LAmore Dov LAmore Where are you now my love? I need you here to fold me

Whispered so sweetly Feel my heart beating I need to hold you in my arms I want you near me

Come to me baby Dont keep me waiting Another night without you here And III go crazy
