

Cher, Hell On Wheels

Well I'm hell on wheels I'm a roll on mama
I can slide down places that you never knew
Try me on for size at the roll-a-rama
If you tie my laces and I'll follow you
Follow you follow you

[Chorus:]

See something I like, gonna go for it
See something I want, I'm gonna go after it
See something I like, gonna go for it
See something I want
Let's roll hell on wheels let's roll
Come on and roll with me
I roll at a quarter till three yeah
And let's rock hell on wheels let's rock
Come on and rock it with me
I'll make you feel so free yeah, Look out

Well I'm hell on wheels say I'm roller crazy
I won't go too fast no I won't go too far
We'll be high on wheel if the room gets hazy
Just look out for me I'm your guiding star
guiding star, guiding star

See something you like, better go for it
See something you want, better get down on it
See something you like, better go for it
See something you want

Let's roll hell on wheels let's roll
Come on and roll with me
I roll at a quarter till three yeah
And let's rock hell on wheels let's rock
Come on and rock it with me
I'll make you feel so free yeah, look out

If you see something you like, you better go for it
If you see something you want, you better get down on it
If I see something I like, I'm gonna go for it
If I see something I want
You know I'm gonna get down on it

Well I'm hell on wheels I'm a roll on mama
I can slide down places that you never knew
Try me on for size at the roll-a-rama
If you tie my laces and I'll follow you
Follow you follow you

[Chorus]
