

Cher, Here Comes That Rainy Day Feeling Again

HERE COMES THAT RAINY DAY FEELING AGAIN
WRITERS ROGER COOK, ROGER GREENAWAY

Here comes that rainy day feeling again
And soon my tears they will be falling like rain
It always seems to be a Monday
Left over memories of Sunday
Always spent with you before the clouds appear
And took away my sunshine
Here comes that rainy day feeling again
And I'll be dreaming of you baby in vain
Your face is always on my mind girl
I hope that soon you're gonna find girl
Your way back to me
Cause if you say you'll stay, the rainy days would go away
Misty morning eyes I'm trying to disguise the way I feel
But I just can't hide it
People seem to know
The loneliness will show
I'm thinking of my pride but breaking up inside girl...whoaaa
Here comes that rainy day feeling again
And soon my tears they will be falling like rain
It always seems to be a Monday
Left over memories of Sunday
Always spent with you before the clouds appear
And took away my sunshine
here comes that rainy day feeling again
here comes that rainy day feeling again
here comes that rainy day feeling again
here comes that rainy day feeling again
