

Cher, Knock On Wood

I don't want to lose this good thing
Baby that we got
If I do, I would surely, surely lose alot
Cause your love is better
Then any love I know
It's like thunder (Thunder)
And lightning (Lightning)
The way you love me is freighting
I better knock on wood (Baby)
I better knock, knock, knock

I'm not superstitious about you
I can't take no chance
Got me spinning oh baby
Baby I'm in a trance
Cause your love is better
Then any love I know
It's like thunder (Thunder)
And lightning (Lightning)
The way you love me is freighting
I better knock on wood

It's no screte that my man fills my loving cup
He sees to it that I get just enough
Just one touch from him
Lord it means so much
It's like thunder (Thunder)
And lightning (Lightning)
The way you love me is freighting
I better knock on wood

Knock, knock, knock on wood
I think I better
Knock, (Knock) knock on wood
I think I better
Knock, (Knock) knock on wood
I think I better
Knock, (Knock) knock on wood
I think I better
Knock, (Knock) knock on wood
I think I better
Knock, (Knock) knock on wood
I think I better
Knock, (Knock) knock on wood
I think I better
Knock, (Knock) knock on wood
