

# Cher, Love And Pain

I see the clouds and I feel the rain  
It's all coming down to you again  
And I take the ashes  
Though memory stays the same  
It's all coming down to love and pain

Heading for the coast  
Trying to make the most of this misery

Cause there's a pain in my heart  
And it's tearing me apart  
Well I guess it all comes down to lovin' you  
(Do you see the clouds?)  
(Can you feel the rain?)  
It's all coming down to love and pain

On the road again  
(Thinkin' about you baby)  
Tommorow I will play L.A

But there's a pain in my heart  
And it's tearing me apart  
And I guess that's just the way my story goes  
Well there's a hunger in my veins  
And it's driving me insane  
But I guess it all comes down to love and pain

Well there's a hunger in my veins  
And it's driving me insane  
So won't you help me(help me)  
So won't you help me(help me)  
Oh won't you help me(help me)  
Help me(help me) Help me(help me)  
Help me(help me)

Well there's a pain in my heart  
And it's tearing me apart  
Well I guess that's just the way my story goes  
Well there's a hunger in my veins  
And it's driving me insane  
Well I guess it all comes down to loving

Oh I guess it all comes down to love and pain
