Cher, Reason To Believe

If I listen long enough to you I'd find the way to believe That it's all true Knowing that you lied straight faced While I cried Still I looked to find The reason to believe

Someone like you makes it hard To live without somebody else Someone like you makes it easy to give And never thinking of myself

If I gave you time to change my mind I'd find the way
To leave the past behind
Knowing that you lied straight faced
While I cried
Still I looked to find
The reason to believe

If I listen long enough to you I'd find the way to believe That it's all true Knowing that you lied straight faced While I cried Still I looked to find The reason to believe
