

Cher, The Bigger They Come The Harder They Fall

Well they tell me there's a pie in the sky
Waiting for me when I die
But between the day you're born
And when you die
Oh Lord, they never seem to hear
Even your cry
And as sure as the sun will shine
I am gonna get my share of what's mine
And then

[Chorus:]
The bigger they come
The harder they fall
One and all
Oh yeah they bigger they come
The harder they fall

Well the oppressors are trying to get me down
Trying to drive me under the ground
And they think that they have got their battle won
I say, forgive them Lord
They do not what they've done
And as sure as the sun will shine
I am gonna get my share of what's mine
And then

[Chorus]
And I keep on fighting for the things I want
Though I know that when you're dead man you're gone
But I'd rather be a free man in my grave
Oh, than living like a puppet or a slave
And as sure as the sun will shine
I am gonna get my share of what's mine
And then

[Chorus x3]
