

# Cher, Train Of Thought

When you're talkin' in your sleep,  
And the name that you whisper ain't mine  
And I've finally faced the fact  
That you're cheatin' on me one more time  
When my anger starts to rumble  
And my steam starts to rise  
And the wheels keep turning  
Faster as I think of all your lies

Oh that train of thought  
Runnin' right on time  
But it's off the track  
And I'm losing my mind  
'Cause the way you used me  
Gonna drive me insane honey  
Say you'll never leave me  
For God's sake stop the train

Oh the camel back is broken  
By the one extra straw added on  
And a woman can't see reason  
When her last ray of sunshine is gone  
There's a finger on the trigger  
And that locomotive sound  
And I think how much I love you  
And I turn the gun around

Oh that train of thought  
Runnin' right on time  
But it's off the track  
And I'm losing my mind  
And you hold me the last time  
As I try to explain, honey  
Don't feel bad about me  
I just had to stop this train

Gotta get off, gotta get off  
Gotta get off, gotta get off (woo-woo)  
Gotta get off, gotta get off  
This train of thought (woo-woo)  
Gotta get off, gotta get off (woo-woo)  
Gotta get off, gotta get off  
The train of thought (woo-woo)
