## Cher, Until It's Time For You To Go

You're not a dreamer You're not an angel you're a man I'm not a queen I'm a woman take my hand We'll make a space in the life That we've planned And here we'll stay Until it's time for you to go

Yes we're different worlds apart We're not the same We laughed and played At the start like in a game You could have stayed Outside my heart But you came in And here you'll stay Until it's time for you to go

Don't ask why don't ask how Don't ask forever love me now This love of mine had no beginning It has no end I was an oak now I'm a willow Now I can bend And though I never in my life Will see you again Still I'll stay until It's time for you to go

Don't ask why of me Don't ask how of me Don't ask forever of me Love me love me now

You're not a dreamer You're not an angel you're a man I'm not a queen I'm a woman take my hand We'll make a space in the life That we've planned And here we'll stay Until it's time for you to go
