

# Cher, Why Was I Born?

Why was I born  
Tell me why I am living  
What do I give  
Or what am I'm giving  
What do I want  
Anything I can not hope for  
What can I hope for  
I wish I knew

[Chorus:]  
Why do I try  
To draw you near me  
Honey tell me why do I cry  
Cause you're never gonna hear me  
I'm a poor fool  
But what can I do, I do  
Why was I born to love you

[Chorus]
