

Cheryl Cole, Stand Up

(*Taio Cruz, Fraser T. Smith / *Prod. by Taio Cruz, Fraser T. Smith)

Cause I came here to dance
I'm gonna put up my hands
And stand up, stand up
Cause I came here to dance
I'm gonna put up my hands
And stand up, stand up
Get up, get up
When the music gets a hold of you
Get up, get up
When the music gets control of you
Get up, get up
When the music gets a hold of you
Get up, get up, get up, get up, get up
I can see the light calling me out
I can see the search light spinning around
I can feel the home where I belong
I can feel the music turning me on
Oh, oh, oh, oh, oh, oh, oh, oh (on)
Oh, oh, oh, oh, oh, oh (turning me on)
Cause I came here to dance
I'm gonna put up my hands
And stand up, stand up
Cause I came here to dance
I'm gonna put up my hands
And stand up, stand up
Get up, get up
When the music gets a hold of you
Get up, get up
When the music gets control of you
Get up, get up
When the music gets a hold of you
Get up, get up, get up, get up, get up
I've got this emotion covering me
While moving in the fast lane taking the lead
There's nowhere to hide. feeling this strong
I can feel the music turning me on
Oh, oh, oh, oh, oh, oh, oh, oh (on)
Oh, oh, oh, oh, oh, oh (turning me on)
Turning me on
Cause I came here to dance
I'm gonna put up my hands
And stand up, stand up
Cause I came here to dance
I'm gonna put up my hands
And stand up, stand up
Get up, get up
When the music gets a hold of you
Get up, get up
When the music gets control of you
Get up, get up
When the music gets a hold of you
Get up, get up, get up, get up, get up
Ok Cheryl let's dance, cause I just cut my advance
'So I can slide on my Louboutins'
And I'm gonna put on my brand new vans
And take it to the club
I don't give a what, and you don't give a what
We going while out like we just got paid
Looking so fresh in our Rockstarr shades
Cause I came here to dance
I'm gonna put up my hands
And stand up, stand up
Cause I came here to dance

I'm gonna put up my hands
And stand up, stand up
Get up, get up
When the music gets a hold of you
Get up, get up
When the music gets control of you
Get up, get up
When the music gets a hold of you
Get up, get up, get up, get up, get up
