

# Cheryl Cole, Under The Sun

We all got lonely the day  
Gets stuck in a phase  
I can see the sun is shining bright right on through the haze  
I complain to say  
Is this really my life  
Now that I'm over you, and I'm sober too  
I can finally feel alive

But I won't give you my heart, cause it don't break twice  
Just to let you know, let you know  
And if you play the part, and play it real nice  
Baby I'll let go,  
I'll let go

I'm sure you'll tell me anything under the sun  
Like how you think I'm special and the only one  
Cause normally I'll probably just get up and run  
But you looking so damn good to me under the sun  
Under the sun....

Are we on the same page?  
Don't need to play  
All these games just to get a little feel of sunshine on my face  
And I got paid, today, is this really my life  
Now that I'm over you, and I'm sober too  
I can finally feel alive

But I won't give you my heart, cause it don't break twice  
Just to let you know, let you know  
And if you play the part, and play it real nice  
Baby I'll let go, I'll let go

I'm sure you'll tell me anything under the sun  
Like how you think I'm special and the only one  
Cause normally I'll probably just get up and run  
But you looking so damn good to me under the sun

Well do you get, do you get what I need?, na na na  
Could you show me something that I want to see?, na na na  
And maybe you can get underneath, na na na  
If you watch the sun go down on me, na na na  
Go down on me!

I'm sure you'll tell me anything under the sun  
Like how you think I'm special and the only one  
Cause normally I'll probably just get up and run  
But you looking so damn good to me under the sun
