

Cheryl Wheeler, One Step At A Time

I'm alright
I'll get by
Hold my own
Tell you why
Hard times come
Hard times go
We're still here
High or low
Doesn't need to be said
[Repeat Chorus:]
Next time try the knob
Before you break my door down
Before you deal me
Such a clumsy blow
I could build a wall
With all this faith you tore down
If I could see
Where all the pieces go
Some days roll
Like a beautiful sea
Till the light comes down
Through the moonlight trees
Maybe we'll win
Maybe we won't
Some days fly
Some days don't
[Repeat Chorus:]
