Anthem

No man, no madness

Though their sad power may prevail

Can possess, conquer, my country's heart

They rise to fail

She is eternal

Long before nations' lines were drawn

When no flags flew, when no armies stood

My land was born

And you ask me why I love her

Through wars, death and despair

She is the constant, we who don't care

And you ask me would I leave her-but how?

I cross over borders but I'm still there now

How can I leave her?

Where would I start?

Let man's petty nations tear themselves apart

My land's only borders lie around my heart
