

Chester Bennington, The Morning After

Caught up against the wall again
Tied the chain to the ball again
It never seems to amaze my mind
So I just sleep, sleep, sleep
Sleep, sleep, sleep
Please don't

Wake me til the morning after(x2) Oh

Cut and bruised by the fall again
I lick my wounds like a dog again
Is that a light at the end of the tunnel that
I see, I see, please let it be but don't

Wake me til the morning after(x2)

Wake me til the morning after,
Oh, I'm so tired, there has got to be an end
To the pain I feel when I'm awake and alive, alive, alive
Alive and I'm dreamin, oh

Caught up against the wall again
Tied the chain to the ball again
It never seems to amaze my mind
So I just sleep, sleep, sleep
Sleep, sleep, sleep
Please don't

Wake me til the morning after (x2)Oh, oh

Wake me til the morning after,
Oh, I'm so tired, there has got to be an end
To the pain I feel when I'm awake and alive, alive, alive
Alive and I'm dreamin
