

Chester French, C'Mon

Everyone wanna get a piece of what I go today, uh huh
Show me cars tell me all about the stars you used to play, uh huh
You wanna run it all, so you can really ball
But you should never try to walk until you learn to crawl
Don?t wanna hold your hand, just wanna be your man
But I don?t think you understand
C?mon
No, no, no don?t you tell me what to do ?cos I?m goin? on my own
Yeah I?m goin? on my own
And baby no, no, no don?t you tell me what to say ?cos I?m goin? on my own
Well I?m goin? on my own
Every time that you get me on the line it?s all the same, uh huh
Porn star tale got a condo out in Vail you own the game, uh huh
You wanna run it all, so you can really ball
But you should never try to walk until you learn to crawl
Don?t wanna hold your hand, just wanna be your man
But I don?t think you understand
C?mon

No, no, no don?t you tell me what to do ?cos I?m goin? on my own
