

# Chester See, Good damn you're beautiful

On the days I can't see your eyes  
I don't even want to, open mine  
On the day I can't see your smile  
I'd rather sit and wait the while  
For the days I now you'll be near  
cause I day without you isn't be fair  
but the days I can't hear your voice  
I'm left without a choice  
But to get weeks in the knees  
Fall head over heels baby  
and every other cheesy cliché  
Yeah I'm swept off my feet  
Oh my heart skips a beat  
But there's really only thing to say  
God damn you're beautiful to me  
You're Everything  
Yeah that's beautiful  
Yes to me  
I can't find the words to explain  
Just how much you get me going insane  
when you speak to me sometimes you'll find  
I stutter my words and say nevermind  
cause even when you just walk by  
I look around to seem occupied  
cause I'm trying so hard to hide  
Yeah I love this feeling inside  
But to get weeks in the knees  
Fall head over heels baby  
and every other cheesy cliché  
Yeah I'm swept off my feet  
Oh my heart skips a beat  
But there's really only thing to say  
God damn you're beautiful to me  
ohh You're Everything  
Yeah you're beautiful  
Yes to me  
Yes to me  
ooh...  
Yeah you're beautiful  
Yeah you're beautiful  
Good damn you're beautiful  
To me...
