Hold that tiger, hold that tiger
Hold that tiger, hold that tiger
Hold that tiger, hold that tiger
Hold that tiger
Where's that tiger? Where's that tiger?
Here's that tiger
Where's that tiger? Here's that tiger
Where's that tiger? There's that tiger
Hold that tiger, hold that tiger
Hold that tiger, hold that tiger
Hold that tiger, hold that tiger
Hold that tiger
Where's that tiger? Where's that tiger?
Here's that tiger
Where's that tiger? Here's that tiger
Where's that tiger? There's that tiger
Hold that tiger
