Chi-Lites, The - Oh Girl
=====

Oh, girl
Id be in trouble if you left me now
Cause I dont know where to look for love
I just dont know how

Oh, girl
How I depend on you
To give me love when I need it
Right on time you would always be

All my friends call me a fool
They say, Let the woman take care of you?
So I try to be hip and think like the crowd
But even the crowd cant help me now, oh...oh...oh...oh...oh...

Oh, girl
Tell me what am I gonna do
I know Ive got a guilty face
Girl, I feel so out of place, oh, yeah...yeah...

Dont know where to go, who to see, yeah

Oh, girl
I guess I better go
I can save myself a lot of useless tears
Girl, Ive gotta get away from here

Oh, girl
Pain will double if you leave me now
Cause I dont know where to look for love
And I dont, I dont know how

Oh, yeah
Mmm...hmm...

Oh, girl
Why do I love you so, yeah
Mmm...
Better be on my way, I cant stay

Have you ever seen such a helpless man
Oh...oh...no...
