Oh Girl

=====  
Chi-Lites, The - Oh Girl  
=====

Oh, girl  
Id be in trouble if you left me now  
Cause I dont know where to look for love  
I just dont know how

Oh, girl  
How I depend on you  
To give me love when I need it  
Right on time you would always be

All my friends call me a fool  
They say, Let the woman take care of you?  
So I try to be hip and think like the crowd  
But even the crowd cant help me now, oh...oh...oh...oh...oh...

Oh, girl  
Tell me what am I gonna do  
I know Ive got a guilty face  
Girl, I feel so out of place, oh, yeah...yeah...

Dont know where to go, who to see, yeah

Oh, girl  
I guess I better go  
I can save myself a lot of useless tears  
Girl, Ive gotta get away from here

Oh, girl  
Pain will double if you leave me now  
Cause I dont know where to look for love  
And I dont, I dont know how

Oh, yeah  
Mmm...hmm...

Oh, girl  
Why do I love you so, yeah  
Mmm...  
Better be on my way, I cant stay

Have you ever seen such a helpless man  
Oh...oh...no...
