

# Chiara, The One That I Love

Such a lovely night,  
when the stars are shining bright.  
And you're near, we're all alone  
cause I long for you so much.  
I never felt this way, not before.  
You turn on my mind, more and more.

Chorus:

I think that I'm in love,  
and you mean so much to me.  
I think I love you so  
I'll never let you go  
This must be love.  
Up there we seem to flow.  
I'm standing and now I know;  
For me yes, you're just the one  
The one that I love.

Such a lovely sight,  
when the colours shine so bright.  
And you're near, we're all alone,  
and I feel so warm inside.  
I never felt this way all my life.  
You came like spring sunshine,  
gave me life.

Chorus:

I think that I'm in love,  
and you mean so much to me.  
I think I love you so  
I'll never let you go  
This must be love.  
Up there we seem to flow.  
I'm standing and now I know;  
For me yes, you're just the one  
The one that I love.

For me as you're just the one;  
The one that I love.
