

Chiasm, Fight

What do you want from me?
What do you plan tonight?
Can you see what I can't see?
Will you put up with the fight?

I will remain alone this time
Until I know for sure what's mine
I will remain alone this time
Until I know for sure what's mine

Why can't you face the truth?
Why must you run and hide?
Your ego's killing you
I hate your stupid lies
I hate your stupid lies

I can't believe what you've done now
The faith we had can't explain how
Your selfish games and cruelty
Somehow always come back to me

What do you plan tonight?
Can you see what I can't see?
Will you put up with the fight?
Will you put up with the fight?

I can't believe what you've done now
The faith we had can't explain how
Your selfish games and cruelty
Somehow always come back to me

What do you plan tonight?
Can you see what I can't see?
Will you put up with the fight?
Will you put up with the fight?

I can't believe what you've done now
The faith we had can't explain how
Your selfish games and cruelty
Somehow always come back to me

I will remain alone this time
Until I know for sure what's mine
