

# Chiasm, Someone

I see you  
And I know  
What to feel inside  
For the first time

And I know  
What I need I have  
By myself  
I am someone

So stop me  
So stop me  
So stop me from taking you  
So stop me from loving you  
I have all I need by myself

For the first time  
I see you  
And I know what to feel  
What I need I have by myself

By myself I am someone  
So stop me from loving you  
So stop me from wanting you  
I have all I need  
By myself

I am someone  
I am someone  
All I need I have by myself

By myself  
I have all I need  
So stop me from taking you  
So stop me from loving you  
I have all I need  
By myself

And I could never feel this way again  
You'll never take the pain the way I did  
I'll never be the same again  
I couldn't be what I'd always wanted  
But I could never feel this way again  
You'll never take the pain the way I did  
I'll never be the same again  
I couldn't be what I'd always wanted

For the first time I am someone  
By myself I am someone
