

# Chic, I Want Your Love

I want your love, I want your love  
I want your love, I want your love  
Do you feel like you ever want  
To try my love and see how well it fits  
Baby can't you see when you look at me  
I can't kick this feelin' when it hits?  
All alone in my bed at night  
I grab my pillow and squeeze it tight  
I think of you and I dream of you all of the time  
What am I gonna do?  
I want your love, I want your love  
I want your love, I want your love  
I want your love, I want your love  
I want your love, I want your love  
Sometime, don't you feel like you  
Never really had a love that's real?  
Well, here I am and who's to say  
A better love you won't find today  
Just one chance and I will show you love  
Like no other, two steps above  
On your ladder I'll be a peg  
I want your loving, please don't make me beg  
I want your love, I want your love  
I want your love, I want your love  
I want your love, I want your love  
I want your love, I want your love  
I want your love, I need your love  
I'll share my dreams and make you see  
How really bad your love I need  
I want your love, I need your love  
Just like the birds in the sky above  
I'll share my dreams and make you see  
How really bad your love I need  
I want your love, I want your love  
I want your love, I want your love  
I want your love, I want your love  
I want your love, I want your love
