

Chicago, Chicago - Hard Habit To Break

I guess I thought you'd be here forever
Another illusion I chose to create
You don't know what you've got, until it's gone
And I found out a little too late
I was acting as if you were lucky to have me
Doing you a favor, I hardly knew you at all
But then you were gone and it all was wrong
Had no idea how much I cared
Now being without you, takes a lot of getting used to
Should learn to live with it but I don't want to
Being without you, is all a big mistake
Instead of getting easier, it's the hardest thing to take
I'm addicted to you, babe, you're a hard habit to break
You found someone else, you had every reason
No one can blame you for running to him
Two people together but living alone
I was spreading my life too thin
After all of these years, I'm still trying to shake
Doing much better, they say that it just takes time
But deep in the night, it's an endless fight
I can't get you out of my mind
Now being without you, takes a lot of getting used to
Should learn to live with it but I don't want to
Being without you, is all a big mistake
Instead of getting easier, it's the hardest thing to take
I'm addicted to you, babe, you're a hard habit to break
I just can't go on
I just can't go on
Being without you, takes a lot of getting used to
Should learn to live with it, I don't want to
Being without you, is all a big mistake
Instead of getting any easier, it's the hardest thing to take
I'm addicted to you, you're a hard habit to break
Such a hard habit to break
I'm addicted to you, you're a hard habit to break
Such a hard habit to break
I'm addicted to you, baby
