What do you want
What do you want
I'm givin' everything i have
I'm even trying to see if there's more

Locked deep inside I'll try I'll try Can't you see, this is me

What do you need What do you need Is someone just to hurt So that you can appear to be smart

Keep a steady job Play god Play god What to you really know

You parasite You're dynamite An oversight Misunderstanding what you hear

You're quick to cheer And volunteer Absurdities, musical blasphemies Oh lord Save us all

What do you want What do you want I'm givin' every thing i have I'm even trying to see if there's more

Locked deep inside I'll try I'll try Can't you see, this is me
