

# Chicago, Dream A Little Dream

Stars shining bright above you  
Night breezes seem to whisper, "I love you"  
Birds singing in the sycamore tree  
"Dream a little dream of me"  
Just say goodnight and kiss me  
Oh, hold me tight and tell me you miss me  
While I'm alone and blue as can be  
Dream a little dream of me  
Stars fading, but I linger on, dear  
Still craving your kiss  
I'm longing to linger till dawn, my dear  
Just saying this

Sweet dreams till sunbeams find you  
Sweet dreams that leave all worries behind you  
But in your dreams whatever they be  
Dream a little dream of me  
Say nightie-night and kiss me  
Oh, hold me tight and tell me you miss me  
While I'm alone and blue as can be  
Dream a little dream of me  
Dream a little dream of you and me
