

Chicago, Hard Habit To Break

(S. Kipner/J. Parker)

I guess I thought you'd be here forever
Another illusion I chose to create
You don't know what ya got until it's gone
And I found out a little too late
I was acting as if you were lucky to have me
Doin' you a favor I hardly knew you were there
But then you were gone and it was all wrong
Had no idea how much I cared

CHORUS:

Now being without you
Takes a lot of getting used to
Should learn to live with it
But I don't want to
Living without you
It's all a big mistake
Instead of getting easier
It's the hardest thing to take
I'm addicted to ya babe
You're a hard habit to break
You found somebody else you had every reason
You know I can't blame you for runnin' to him
Two people together but living alone
I was spreading my love too thin
After all of these years
I'm still tryin' to shake it
Doin' much better they say that I just takes time
But deep in the night it's an endless flight
I can't get ya out of my mind

CHORUS

2nd Chorus:

Being without you
Takes a lot of getting used to
Should learn to live with it
I don't want to
Being without
Is all a big mistake
Instead of getting any easier
It's the hardest thing to take
I'm addicted to you
You're a hard habit to break
