

# Chicago, I Don't Wanna Live Without Your Love

Thought it wouldn't matter  
If we didn't stay together,  
And if it was over,  
Maybe it was for the better.  
I was thinking I'd be alright,  
'til I thought it all through.  
Now I know that I ain't really living  
If I have to live without you.

I don't wanna live without your love,  
I don't wanna face the night alone.  
I could never make it through my life  
If I had to make it on my own.  
I don't wanna love nobody else,  
I don't wanna find somebody new.  
I don't wanna live without your love,  
I just wanna live my life with you.

Guess I had to go away,  
So much I had to go through.  
Guess I had to lose you  
To realize how much I love you.  
Can we make the fire burn again,  
Burn a little stronger?  
'Cause I've been alone, and baby,  
I can't be alone now any longer.

I don't wanna live without your love,  
I don't wanna face the night alone.  
I could never make it through my life  
If I had to make it on my own.  
I don't wanna love nobody else,  
I don't wanna find somebody new.  
I don't wanna live without your love,  
I just wanna live my life with you.

Oh, if I had to make it on my own,  
My life would never be the same,  
My love would never be the same.  
I don't wanna live without your love.

I don't wanna live without your love,  
I don't wanna face the night alone.  
I could never make it through my life  
If I had to make it on my own.  
I don't wanna love nobody else,  
I don't wanna find somebody new.  
I don't wanna live without your love,  
I just wanna live my life with you.
