Love Me Tomorrow (Peter Cetera And David Foster)

She said, "It's lonely here tonight." She's always sad when she's alone.

She said, "I need you here tonight." She couldn't wait 'til I get home.

She loves me, and that's all I need to know.

She's part of my life; just a part I won't let go.

Then she said,

"Love me tomorrow. Won't you please promise me? Love me tomorrow like today.

Love me tomorrow; hurry back. Can't you see I need you much more than  
yesterday?"

You know it's always cold at night; it's always lonely 'til the dawn.

And though it's not what we both want, knowing she's there, I'll carry on.

Because she loves me, and that's all I need to know.

She's part of my life; just a part I won't let go.

Then she said,

"Love me tomorrow. Won't you please promise me? Love me tomorrow like today.

Love me tomorrow; hurry back. Can't you see I need you more than any words can  
say?"

She loves me, and that's all I need to know.

She's part of my life; just a part I won't let go.

Then she said,

"Love me tomorrow. Won't you please promise me? Love me tomorrow like today.

Love me tomorrow; hurry back. Can't you see I need you much more than  
yesterday?"

Love me tomorrow; love me tomorrow like today.

Love me tomorrow; I need you much more than yesterday.
