

Chicago, Nowadays

Nowadays

(Ladies and gentlemen, miss Roxie Hart says goodnight)

Its good, isnt it grand, isnt it great

Isnt it swell, isnt it fun, isnt it nowadays

Theres men, everywhere jazz, everywhere booze

Everywhere life, everywhere joy, everywhere nowadays

You can like the life youre living

You can live the life your like

You can even marry Harry

But mess around with Ike

And thats good, isnt it grand, isnt it great

Isnt it swell, isnt it fun, isn't it... but nothings stays

You can like the life youre living

You can live the life your like

You can even marry Harry

But mess around with Ike

And thats good, isnt it grand, isnt it great

Isnt it swell, isnt it

(thats great, well be in touch)
