Can this feeling that we have together
Ooh, Suddenly exist between
Did this meeting of our minds together
Ooh, Happen just today, somewhere
I'd like to know,
Can you tell me -- please don't tell me
It really doesn't matter anyhow
It's just that the thought of us so happy
Appears in my mind, as a beautifully mysterious thing
Was your image in my mind so deeply
Was your image in my mind so deeply
Ooh, other places fade away
blocking memories of unhappy hours
Ooh, Leavin' just a burnin' love
I'd like to know,
I'd like to know,
Can you tell me -- please don't tell me
It really doesn't matter anyhow
It's just that the thought of us so happy
Appears in my mind, as a beautifully mysterious thing
Yes it does now baby
Can this lovin' we have found within us
Ooh, Suddenly exist between
Did we somehow try to make it happen
Ooh, Was it just a natural thing

Can you tell me -- please don't tell me
It really doesn't matter anyhow
It's just that the thought of us so happy
Appears in my mind, as a beautifully mysterious thing
Yes it does now baby
